

FROM 1979 Fishin' Mission Headquarters

TO All Anglers of Record

DATE May 7, 1979

SUBJECT Sixth Annual Fishin' Mission

Well, it's that time again! Opening day is just around the corner which means the Fishin' Mission is "comin on."

As usual, the festivities will include scoopin', sunnin', gamblin', and perhaps some fishin' too!

The dates this year are set (and approved by the Twin Lakes Gaming Commission) for Friday, June 1, 1979, to Sunday, June 10, 1979, or any time within those dates you can make it.

The self elected chairmen (Steve Lawing and myself) are developing a plan of action now which will include (maybe) a "6th Annual" T-Shirt of nominal expense (just in case you lose the shirt off your back in the Big Town) and other exciting things such as free mini-bike rides, firecrackers for your hats, and maybe a bottle of Jim Beam which looks like a trout.

It has been decided that you're all on your own as far as food and grog are concerned. You can group up if you would like. However - as an amendment to the Mission Constitution - "Country Clubbing" defined as "only showing up at the base camp after sleeping in a motel, taking a hot shower, and having a restaurant breakfast," is grounds for expulsion from this proud and elite group.

Please respond to the following questions as soon as possible so we can plan for our needs.
