"To effectively communicate, we must realize that we are all different in the way we perceive the world and use this understanding as a guide to our communication with others."
- Anthony Robbins GHS

LAST CALL.....SHOULD YOU STAY OR SHOULD YOU GO???

In a last ditch effort to increase attendance, this reporter is putting to print his final thoughts regarding the upcoming 21st Annual Fishin' Mission Extravaganza - FRIDAY JUNE 3RD UNTIL SUNDAY JUNE 13TH, 1994 !!

The fact is, we ALL have lots to do; we ALL have a million excuses; we ALL can think of ten things we should be doing instead of driving for hours to a place where you need quarters to shower, end up smelling like fish (hopefully) and have to put up with 40 other guys playin' out life like their still 20! We ALL have the ability to take CONTROL !! Do it !!

RESPONSE TO NEWSLETTER MEASURABLE

In the last newsletter the commish challenged each of you to "get in touch" - assert yourself, be proactive, get aggressive, take a stand, and make a commitment:

Bonfire left a message sayin' he'll be there. Don't know if he'll be draggin Jason and Marko along.

LTR confirmed not only his attendance but T's back with both Spanky and Brad along - plus a challenge on tying flies? And maybe a Float Tube Regatta?

Lewd called collect from Phoenix to confirm, and said he was comin' with OD, but Chinny thought that OD may be selling Cadillacs soon rather than Toyotas - and bail??

Suckup was whining about some conversion that took priority? Has anyone explained the penalty for not defending your title for Big Fish?

Fast Eddy said Woody is a no-show, but confirmed Colosuonno (I saw the check) as a worthy replacement in their digs at Doc 'n Al's. (More on Fast Eddy later).

Easy Money had made an early commitment, and was going to drag Bucket along - but haven't heard from him since the newsletter. To much fame?

More on attendance.....

BT is droppin' a trailer on 44D for Thursday and is trying to get Robin up for a spell too.

Chinny says "I got no Mission vehicle" Must be afraid to damage the wax on the Benz! Maybe you can hook with OD and Lewd? (That's a scary thought)

Here for the Beer and Oregonism will be there, and they "might" bring I'll be Baack and "will" bring Davinski - the Commish's nephew, sponsored by Here for the Beer (another scary thought).

In a conversation with Still Holds the Record, the thought of Speed Limit came up, and SHTR said, "Isn't he still married to Deits? Cute couple but they probably won't show."

Do have some concerns....

Hands has not reported in from Mammoth, and we can only hope he has included GQ since we have no address on file.

Haven't heard from CR, OB, or any of the other new generation G-Dora boys - except a call from someone who was bringing home brew and wanted Mission artwork for the label...please call back, the Commish lost the note!! Also, Pete Kelly's newsletter was returned for a bum address.

And what about the Mayor? Phone home ! You're our local guy, so we expect you to grease the skids with Jim over at Rhino's - never know, it may snow for three days again. And speakin' of Rhino's - is Jason still around? Rumor has it he recently payed his B-Ball debts from last year to Here for the Beer.

And what about Red, Wild Bill, Polacki, Ron, and Cartier? Most of this gang is always there, but never want to take that for granted.

And Sperm? After such gracious hospitality last year we sure want him around again.

And Smilin' Jim? Always trying to coerce Moondoggie into showin' up again too - but for Moondoggie, GOLF seems to be the new priority - must STILL be trying to learn how to drive a golfcart.

IN CLOSING...YOU'RE CONSCIENCE WILL AGAIN BE YOUR GUIDE. HOPE TO SEE YA THERE BUT, IF NOT....OH WELL!! FRIDAY JUNE 3RD - SUNDAY JUNE 12TH.....

Oh Yeah, almost forgot...Fast Eddy won \$50,000 in a BofA Suggestion Program. In a "private" conversation he mentioned to me that he was pigeon holing \$5K to buy his Amigo's scoops on the Mission. Payback for the Carp gag last year!
